ACCOUNTING, MACC

Department of Accounting, College of Business Administration

Vision Statement
The MACC program at UNO offers graduates an affordable, high-quality graduate education from an AACSB-accounting-accredited institution. Specialized accounting accreditation by the AACSB (Association to Advance Collegiate Schools of Business) is earned by demonstrating that we meet international standards of excellence relating to delivering and managing undergraduate and graduate accounting programs, and fewer than 190 institutions worldwide hold AACSB accounting accreditation. A very practical benefit of having our MACC program AACSB-accounting-accredited is that the Nebraska Board of Public Accountancy recognizes AACSB accounting accreditation as “Level 1 accreditation” and accepts the UNO MACC degree, without additional verification, as evidence that our graduates meet all educational requirements to sit for the CPA exam (see Chapter 9 of Rules and Regulations Title-288 (http://www.sos.state.ne.us/rules-and-regs/regsearch/Rules/index.cgi?I=Board_of_Public_Accountancy&t=Title-288)). The MACC program is designed for dedicated students with career aspirations demanding a high level of accounting expertise. As such, the program involves both intensive and extensive professional preparation. Our program provides a broad-based preparation for individuals seeking careers in public, private or not-for-profit organizations. For more information regarding career options in accounting, please visit http://cba.unomaha.edu/ACCT/.

Financial Assistance
A limited number of graduate scholarships, and assistantships, may be available to MACC students. Those interested in information about these opportunities may call (402) 554-3650. Employed applicants should explore tuition reimbursement plans from their employers.

Admissions

Application Deadlines
Applications for this program are accepted on a rolling basis. All materials must be submitted prior to the beginning of the semester in which the student has elected to begin coursework.

Program-Specific Admissions Requirements

- International students must provide evidence of ability to speak and write the English language; i.e., a minimum of 600 on the paper-based TOEFL, 250 computer-based, 100 if internet-based, 8 IELTS, or 68 PTE. The baccalaureate degree must have been received from a properly accredited institution.

- Applicants must have earned a minimum GPA of 3.0 (on a 4.0 scale) in their undergraduate program. If the applicant’s undergraduate degree is in Accounting, then we further require a minimum GPA of 3.0 overall upper-division Accounting GPA. Students with a GPA less than 3.0 may petition for admission after they have submitted a satisfactory GMAT score.

- GMAT Requirement:
  - Students may be admitted by taking the GMAT and scoring at least 550. The student must score at least 26 or in the 40th percentile on the verbal section and 35 or in the 40th percentile on the quantitative section of the GMAT.
  - GMAT exemptions: You may qualify for a GMAT exemption under one of the following three conditions:

  a. If you have earned a CPA license; or
  b. If you have successfully completed a master’s degree in a business field from an AACSB accredited university; or
  c. If you answer “Yes” to ALL of the following questions.

    • Am I working on, or have I completed, an undergraduate degree program with a major in accounting?
    • Is my college of business for my undergraduate degree AACSB accredited?
    • Have I completed a minimum of six upper division (3000/4000 level) accounting credit hours?
    • Is my upper division accounting GPA 3.33 or higher?
    • Is my overall undergraduate GPA 3.33 or higher?

- Note: Credit received for Internships is excluded from these calculations of overall and upper division accounting GPA.

- Note: Students who have met the admission requirements above, but who have not completed all of the foundation course requirements (listed below), will be admitted provisionally. Provisionally admitted students must earn a minimum GPA of B (3.0 on a 4.0 scale) in all foundation courses taken to satisfy the requirements set out in their provisional admittance. Provisionally admitted students who do not earn a minimum GPA of B (3.0 on a 4.0 scale) in all foundation courses will be immediately dismissed from the MACC program.

Degree Requirements

Foundation Requirements
Accounting is a technical subject and graduate work in the discipline requires a solid understanding of the material covered in the undergraduate curriculum. To make sure our students are adequately prepared we have a list of Foundation requirements below. Students may be provisionally accepted to the program before they have completed or attempted any of the foundation requirements. However, admission will be provisional and no Graduate-only accounting classes may be taken before the Foundation requirements have been successfully completed except students enrolled in their final Foundation course may elect to enroll in graduate classes that do not require that course as a prerequisite.

Students who have completed the Foundation requirements or their equivalents at a properly accredited institution before their application must have an overall GPA of (3.0/4.0) in these courses and earned no grade on any of the foundation courses lower than a C (2.0/4.0).

**MACC Program Requirements**
The basic structure of the MACC program is as follows:

- 15 credit hours of Accounting Core Courses
- 6 credit hours of Contemporary Business Environment Courses
- 9 credit hours of Elective Courses

Students select one of the four concentration areas. The choice will determine the courses to be completed within the three sections above.

**Exit Requirement**
- Comprehensive Examination

**Other Program-Related Information**
**Transfer credits:** All transfer credits must be approved by the Director of the MACC Program. A maximum of 6 credit hours may be considered, and must be earned at an AACSB-accredited institution.

Choose from two of the six courses listed below or from the above course not taken:

Total Credits  6

In consultation with the MACC advisor, select 6 credit hours of additional graduate work.

Total Credits  30
should take ACCT 8076 as a MACC elective.

Any MACC student who plans to sit for the CPA Examination in Nebraska will be repeated for graduate credit.

A maximum of 9 credit hours of "8—6" (dual-level) courses may be included in the MACC program of study. Courses completed as undergraduates cannot be repeated for graduate credit.

Any MACC student who plans to sit for the CPA Examination in Nebraska and who has not previously completed an approved equivalent course should take ACCT 8076 as a MACC elective.

### Academic Performance

In addition to the Quality of Work Standards required by the UNO Graduate College, MACC students may repeat only once any ACCT 8–0 or ACCT 8–6 level course in which they receive any grade, including "W" or "I".

Students earning a third grade of "C+" or lower (or any single grade below "C" (1.67 on a 4.0 scale) will be automatically dismissed from the MACC program. Dismissed students will be immediately administratively withdrawn from all courses in which they are enrolled for MACC credit in any subsequent semester or summer session until reinstatement has been granted by the MACC Graduate Program Committee (MACC GPC).

Students who have been dismissed from the MACC program may submit a written petition for reinstatement to the MACC GPC. Students who have petitioned the MACC GPC for reinstatement may not enroll in any courses for MACC credit. Upon receiving a petition for reinstatement, the MACC GPC will evaluate the student’s petition. As part of the reinstatement petitioning process, the MACC GPC reserves the right to examine the student’s academic record and reserves the right to speak to any previous instructor who has taught the student, and this information may be used by the MACC GPC in the reinstatement decision. Information provided by previous instructors will not be shared with the student. Reinstatement is a privilege, and not all students who are dismissed will be reinstated. Students who have been reinstated will be subject to, reinstatement conditions as specified by the MACC GPC. These reinstatement conditions may include retaking one or more courses in which the student must earn a grade of "B" (3.0) or higher (the exact grade requirements for retaken courses may in fact be higher than "B" (3.0)). Students not achieving the reinstatement conditions will be automatically dismissed with no additional opportunity for reinstatement.

### Electives

Students may select a minor in an area of interest. A minor usually requires 9 credit hours (no 8—6 courses) and the permission of the minor department/school.

A maximum of 9 credit hours of "8—6" (dual-level) courses may be included in the MACC program of study. Courses completed as undergraduates cannot be repeated for graduate credit.

Any MACC student who plans to sit for the CPA Examination in Nebraska and who has not previously completed an approved equivalent course should take ACCT 8076 as a MACC elective.
ACCT 8026  ADVANCED ACCOUNTING INFORMATION SYSTEMS (3 credits)
Specialized issues in computerized accounting information systems. Principal topics include advanced spreadsheet analysis, data capture and cleansing, database development and implementation, and the use of accounting information for business decisions. Emphasis is on reporting objectives, documentation, security, internal controls, and the evaluation and selection of software. (Cross-listed with ACCT 4020)
Prerequisite(s)/Corequisite(s): Not open to non-degree graduate students.

ACCT 8036  TAX ISSUES FOR DECISION MAKING (3 credits)
An introduction to the basic taxation principles for the non-accountant. This course is designed to elevate the tax awareness of and to provide tax knowledge for future decision makers. (Cross-listed with ACCT 4030.)

ACCT 8046  ADVANCED FEDERAL INCOME TAXATION (3 credits)
Analysis of various advanced tax issues, such as accounting methods, property transactions, and formation, operation, and liquidation of C-corporations, S-corporations and partnerships. (Cross-listed with ACCT 4040.)
Prerequisite(s)/Corequisite(s): Not open to non-degree graduate students.

ACCT 8050  FINANCIAL STATEMENT ANALYSIS (3 credits)
Using the financial statement and supplemental information as inputs, this course utilizes a systematic fundamental analysis approach across a variety of decision-making contexts to understand how a business generates value for shareholders.
Prerequisite(s)/Corequisite(s): Admission to MAcc or MBA program or permission of instructor. ACCT 3040 with a "C" (2.0) or better. Not open to non-degree graduate students.

ACCT 8066  ADVANCED MANAGERIAL ACCOUNTING (3 credits)
Intensive study and discussion of the responsibilities of managerial accountants in the decision-making process in organizations and the consequences of the manner in which they use cost accounting information in decision-making. (Cross-listed with ACCT 4060.)
Prerequisite(s)/Corequisite(s): Not open to non-degree graduate students.

ACCT 8076  GOVERNMENTAL/NONPROFIT ACCOUNTING AND AUDITING (3 credits)
Study of budgeting, accounting, financial reporting and auditing in governmental and nonprofit entities. (Cross-listed with ACCT 4070.)
Prerequisite(s)/Corequisite(s): Not open to non-degree graduate students.

ACCT 8080  ADVANCED ACCOUNTING TOOLS & DATA ANALYTICS (3 credits)
This course will cover tools and methods that facilitate business analytic techniques, including database development and use, data mining, and information analysis for decision-making. A working understanding of spreadsheet software is assumed.
Prerequisite(s)/Corequisite(s): Admission to MAcc or MBA program or permission of instructor. Not open to non-degree students. MBA students must have successfully completed BSAD8110 or its equivalent.

ACCT 8090  INFORMATION SYSTEMS AUDITING (3 credits)
This course presents a broad overview of the professional practice of information systems audit, emphasizing control and audit procedures related to security along with Information Technology General Controls. Content studied will include professional standards, guidelines, and procedures promulgated by the Information Systems Audit and Control Association.
Prerequisite(s)/Corequisite(s): ACCT 4080 with a grade of C (2.0) or better. Admission to MAcc or MBA program or permission of instructor. Not open to non-degree graduate students.

ACCT 8210  FINANCIAL ACCOUNTING THEORY (3 credits)
The development of accounting, current accounting theory and present controversies and suggested theory and practice.
Prerequisite(s)/Corequisite(s): ACCT 3040. Not open to non-degree graduate students.

ACCT 8220  GRADUATE TOPICS IN INCOME TAXATION (3 credits)
This course will discuss commonly encountered tax issues such as gift and estate taxation, income taxation of estates and trusts, and exempt organizations, as well discuss current events while introducing the student to practitioner-oriented research publications.
Prerequisite(s)/Corequisite(s): Admission to MAcc or MBA program or permission of instructor. ACCT 4040 or ACCT 8046 with a "C" (2.0) or better, or concurrent enrollment in ACCT 4040 or ACCT 8046. Not open to non-degree students.

ACCT 8230  MANAGEMENT ACCOUNTING ISSUES (3 credits)
An analysis of information to assist managers in determining successful strategies, developing those strategies into plans and controlling operating activities to achieve strategic goals.
Prerequisite(s)/Corequisite(s): Admission to MAcc or MBA program or permission of instructor. ACCT 3050 or BSAD 8210 with a "C" (2.0) of better. Not open to non-degree students.

ACCT 8250  SEMINAR IN ACCOUNTING (3 credits)
A study of a specific area within the accounting discipline. Possible areas include: auditing, financial, managerial, systems and tax. May be repeated, but no area can be taken more than once.
Prerequisite(s)/Corequisite(s): Admission to MAcc or MBA programs or permission of instructor. Not open to non-degree students.

ACCT 8260  FEDERAL TAX RESEARCH AND PLANNING (3 credits)
This course is intended to provide students with a working knowledge of the primary and secondary tax resources used in practice to solve tax problems, as well as basic tax planning concepts.
Prerequisite(s)/Corequisite(s): Admission to MAcc or MBA program or permission of instructor. ACCT 4040 or ACCT 8046 with a "C" (2.0) or better. Not open to non-degree students.

ACCT 8280  SEMINAR IN ACCOUNTING INFORMATION SYSTEMS (3 credits)
This course examines current topics in Accounting Information Systems (AIS), how AIS contributes to business effectiveness and ineffectiveness, and the interaction between AIS and human decision-makers.
Prerequisite(s)/Corequisite(s): Admission to MAcc or MBA program or permission of instructor. Not open to non-degree students. MBA students must have successfully completed BSAD 8110 or its equivalent.

ACCT 8290  ADVANCED FINANCIAL AUDITING (3 credits)
This course will provide students with an intense study of financial auditing in accordance with generally accepted auditing standards.
Prerequisite(s)/Corequisite(s): Admission to MAcc or MBA program or permission of the Director of the MAcc program. ACCT 4080 with a grade of "C" (2.0) or better.
ACCT 8900  INDEPENDENT STUDY (3 credits)
Individual research supplementing graduate study in a specific area within the Accounting discipline. May be repeated to a maximum of six hours.
Prerequisite(s)/Corequisite(s): Completed contract and permission needed from director of MACC program.

ACCT 8910  SPECIAL TOPICS IN ACCOUNTING (3 credits)
A variable content course with accounting topics selected in accordance with student and faculty interest. May be repeated to a maximum of six (6) hours.
Prerequisite(s)/Corequisite(s): Permission of instructor. Not open to non-degree graduate students.
