NATIVE AMERICAN
STUDIES MINOR

(9 hours)

The minimum requirement for the graduate minor is 9 credits taken at the
8000 and/or 9000 levels.

A student’s program will be planned in consultation with the Native
American Studies (NAS) Graduate Advisor, who will hold Graduate Faculty
status. This cross-disciplinary minor will include choices among approved
graduate lecture courses, seminars, and Directed Reading courses.

Three (3) hours of thesis can be counted toward the minimum requirement
of 9 credits, but only in the Graduate Advisor and the thesis committee
members agree that the topic is related to Native American Studies.

Students must complete each course of their 9-credit minor with a grade of
“B” (3.0 on a 4.0 scale) or better.

No comprehensive exam will be required after completion of the three
required courses for the minor.
