BUSINESS FINANCE CONCENTRATION

The objective of the business finance concentration is to prepare students for careers in such areas as financial management, capital budgeting, and international financial management. The focus is on the functions of finance in the firm, cash management, sources of financing, the financial system and strategic capital budgeting.

The completion of specified courses in business finance, banking, and investment science and portfolio management may be applied toward concentration requirements in all three areas.

Business Finance concentration and secondary concentration students are required to earn a "C+" or better in FNBK 3250 and FNBK 3300.

Requires placement from UNO's English Placement and Proficiency Exam.
 Requires placement from ACT/SAT scores, UNO's Math Placement Exam, or an approved prerequisite course within the last two years. Students might be required to take a lower level math course before MATH 1370 depending on their placement scores.

³ Students who are concentrating in Business Finance must receive a grade of "C+" or better in FNBK 3250

⁴ For this requirement students must choose from the following list: MKT 3100, CMST 2120, CMST 3100, CMST 3120, CMST 3130, CMST 3140, CMST 3150, or CMST 3160

⁵ Students who are concentrating in Business Finance must receive a grade of "C+" or better in FNBK 3300

⁶ For this requirement students must choose from an approved list of Business Finance Elective classes. (See DegreeWorks for approved options)

This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance. This plan is not a contract and curriculum is subject to change

Additional Information About this Plan:

University Degree Requirements: The minimum number of hours for a UNO undergraduate degree is 120 credit hours. Please review the requirements for your specific program to determine all requirements for the program. In order to graduate on-time (four years for an undergraduate degree), you need to take 30 hours each year.

General Education courses (Humanities, Social Science & Natural Science) must be from at least two different disciplines https://www.unomaha.edu/ general-education/overview/index.php.

Placement Exams: For Math, English, Foreign Language, a placement exam may be required. More information on these exams can be found at https://www.unomaha.edu/enrollment-management/testing-center/ placement-exams/information.php

**Transfer credit or placement exam scores may change suggested plan of study

GPA Requirements:

Courses within the College of Business require students to obtain a minimum NU GPA of 2.5 or better.

Graduation Requirements:

Students must earn a minimum of 120 credit hours for a BSBA. 42 of those credit hours must be in upper division courses. Students must earn a C (2.00) or above in all fundamental academic skills, pre-business, upper division business core, and business concentration courses.

CBA students must earn a minimum NU GPA of 2.50 and a minimum Business GPA of 2.50. If students are earning an accounting concentration or secondary concentration, a minimum upper division accounting GPA of 2.50 is additionally required.
