Other Information Relevant to the College of Business Administration

Attendance at First CBA Class Meeting
Students not present at the first class meeting of a College of Business Course, without prior notification to the instructor, may be administratively withdrawn from the course.

Choice of Catalog
A student registering in the College of Business Administration of UNO for the first time may, except for the following limitations, complete work for the degree according to:

- The requirements of the catalog of the year in which you last entered the College and have since been in continuous enrollment (i.e., no enrollment gap of more than two consecutive semesters) OR
- The catalog current at the time the student applied for the BSBA degree. For students continuously enrolled, a seven-year rule applies in that the catalog for students who have been continuously enrolled can only extend back seven years. Students enrolled for more than seven years will be moved up one catalog year at a time. For example, from 2000-01 to 2001-02.
- The earliest catalog available to an intra-University transfer will be the catalog in use when the student transferred to the College of Business Administration

Beta Gamma Sigma
Beta Gamma Sigma is the national scholastic honor society in the field of business. Selection is based upon outstanding scholastic achievement.
