## Contact

Chair, Department of Finance, Banking and Real Estate  
402.554.2418

**Website** (<http://www.unomaha.edu/college-of-business-administration/finance-banking-real-estate/>)

## Degrees Offered

- Business Administration, Bachelor of Science (<https://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/>)

## Concentrations Offered

- Banking and Financial Markets Concentration (<http://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/banking-financial-markets/>)
- Business Finance Concentration (<http://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/business-finance/>)
- Certified Financial Planning Concentration (<http://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/certified-financial-planning/>)
- Investment Science and Portfolio Management Concentration (<http://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/investment-science-portfolio-management/>)
- Real Estate and Land Use Economics Concentration (<http://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/real-estate-land-use-economics/>)

## Secondary Concentrations Offered

- Secondary Concentration in Banking and Financial Markets (<http://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/banking-financial-markets/>)
- Secondary Concentration in Business Finance (<http://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/business-finance/>)
- Secondary Concentration in Investment Science and Portfolio Management (<http://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/investment-science-portfolio-management/>)
- Secondary Concentration in Real Estate and Land Use Economics (<http://catalog.unomaha.edu/undergraduate/college-business-administration/bs-business-administration/real-estate-land-use-economics/>)

Note: A careful structuring of course work will allow students to obtain a triple concentration in Investment Science and Portfolio Management, Business Finance, and Banking and Financial Markets, without extra courses. In addition, students may earn a concentration in Real Estate and Land Use Economics and a corresponding Finance concentration. Students must complete FNBK 3300 and FNBK 3300 with a C+ or above in order to specialize in any Finance and Banking concentration or secondary concentration.

## Certificates Offered
