

PRE-ENGINEERING

Two years of course work applicable to Bachelor of Science degrees in Agricultural Engineering, Biological Systems Engineering, and Mechanical Engineering are provided on the Scott Campus in Omaha.

The courses listed under each pre-engineering program are similar in content to equivalent courses at the University of Nebraska-Lincoln, allowing for maximum transferability of credit.

Students should select courses at UNO that meet degree requirements as stated in the Catalog of the institution to which they plan to transfer.

For more information, please call 402.554.3562

Programs Offered

- Pre-Agricultural Engineering (<http://catalog.unomaha.edu/undergraduate/college-engineering/pre-engineering/pre-agricultural-engineering/>)
- Pre-Biological Systems Engineering (<http://catalog.unomaha.edu/undergraduate/college-engineering/pre-engineering/pre-biological-systems-engineering/>)
- Pre-Mechanical Engineering (<http://catalog.unomaha.edu/undergraduate/college-engineering/pre-engineering/pre-mechanical-engineering/>)
