

FINGERPRINTS

Fingerprints

The Police and Public Safety Department provides a fingerprinting service for individuals who require fingerprints for job applications and military needs. This service also applies for children of students, staff, faculty, and alumni. The department will fingerprint children upon the request of a parent. It is strictly for the benefit of the parents should a child ever be missing; no record will be maintained by the Department. Contact The Department for times of service or to schedule an appointment at 402.554.2648.
