

UNO GRADUATE STUDIES

UNO Graduate Studies

For over 100 years, the University of Nebraska at Omaha (UNO) has empowered professionals to advance their careers through affordable, innovative graduate programs. With more than 90 offerings at the doctoral, master's, specialist, and graduate certificate levels, UNO offers access to exceptional education.

As a Carnegie Doctoral Research University, UNO is home to award-winning faculty who lead in their fields and are dedicated to mentoring student success. Explore opportunities on the Graduate Studies website (<https://www.unomaha.edu/graduate-studies/>).
