BUSINESS ADMINISTRATION, MBA AND UNMC DOCTOR OF PHYSICAL THERAPY

Department of Business Administration, College of Business Administration; UNMC College of Allied Health Professions (CAHP)

Vision Statement
The health care industry is an ever-changing landscape, requiring those in leadership positions to navigate complex issues associated with patient care, operations, change management and public policy, to name a few. Allied health professionals comprise approximately 60 percent of the total health care workforce, and together provide the fundamental framework critical to the success of the American health care system. Students jointly pursuing education in an allied health profession and in business are uniquely prepared not only for health care practice, but also for taking on key decision-making roles in health care organizations.

Total Credits 9

MBA/DPT students who have earned undergraduate or graduate degrees in accounting, economics, finance, management, management information systems, or marketing, the MBA core course(s) corresponding to the student's undergraduate major(s) or degree(s) will be waived and the student will complete a directed elective in the waived field in addition to the hours transferred from UNMC. The waived core course will not satisfy degree requirements. Please consult with your advisor for a complete list of approved directed electives.

MBA/DPT students are not eligible to choose an MBA concentration because UNMC CAHP courses will comprise all electives.

Other MBA Requirements

Attendance at a minimum of two (2) MBA Leadership Seminars.
