Admission Criteria

- Students who have already graduated with the MBA or MPH degree are not eligible for the MBA/MPH dual degree program.
- The admission requirements for the MBA program can be found on the UNO MBA website (<https://www.unomaha.edu/college-of-business-administration/mba>).
- Students qualifying for admission based on the standards outlined above but lacking MBA foundation courses will be granted *provisional status* until all foundation courses are completed with grades of "B" (3.0 on a 4.0 scale) or above.
- Students who are already enrolled in the MBA program at the College of Business Administration may apply for admission to the MBA/MPH dual degree program if they are in good academic standing and *have not completed more than 12 semester hours* within the MBA program.
- The admission requirements for the MPH program can be found on the UNMC College of Public Health – Master of Public Health website (<http://www.unmc.edu/publichealth/programs/mphdualdegree/mba-mph.html>).
- Students who are already enrolled in the MPH program at the College of Public Health may apply for admission to the MBA/MPH dual degree program if their *GPA is at least 3.0* and *have not completed more than 18 semester hours* toward the MPH program.

Dual Admission

Applicants must complete the application process for each of the programs, MBA and MPH, separately, and **MUST** meet the requirements for each program. The student must indicate that he or she is applying for admission to the MBA/MPH dual degree program on the application.

Applications are evaluated by each degree program in separate admissions processes. It is possible that an applicant will be admitted to one program and not the other. In this case the applicant can matriculate into the accepted program, but not participate in the dual degree option.

Degree Requirements Foundation Courses

A student must complete the foundation courses listed below prior to, or concurrent with enrollment in the first MBA course. Courses successfully completed A, B, or C (2.0 on a 4.0 scale) grades in the student's undergraduate program are considered as sufficient preparation.

Otherwise, the student must complete the foundation requirements with a grade of B (3.0 on a 4.0 scale) or above.

Students completing the MBA/MPH will transfer a maximum of nine (9) hours of coursework from the MPH courses listed below to fulfill elective requirements for the MBA program. Minimum "B" (3.0 on a 4.0 scale) grade required in each course to be transferred. Transfer and application of the "professional" hours from UNMC to the UNO MBA program will take place upon completion of the MPH degree. These courses are:

Code	Title	Credits
CPH 502	Health Services Administration	3
CPH 565	Health Care Finance	3
CPH 566	Health Policy	3

Other MBA Requirements

Attendance at a minimum of **two (2)** MBA leadership seminars.

Academic Performance

Foundation courses cannot be used to meet the 60 semester-hour requirement for the MBA/MPH joint degree.

MBA Program Two Strikes Rule

A UNO MBA student may enroll only **twice** in each MBA course. If the class is not successfully completed on the second attempt then the student will be dismissed from the MBA program. **An enrollment is defined as being enrolled in the course after the last day to withdraw via MavLINK and receive a 100% refund. The last day for withdrawal will be as stated in the current academic calendar for a full semester course (3 credits); for an eight-week course (2 credits) the last day for withdrawal will be the third day (including the start date) of the course as designated in MavLINK.**

MBA Program Academic Performance

Students earning a third grade of "C+" or lower (or any single grade below "C" (1.67 on a 4.0 scale)) will be automatically dismissed from the MBA program. Dismissed students will be immediately administratively withdrawn from all courses in which they are enrolled for MBA credit. Students who have been dismissed may not enroll in any courses for MBA credit in any subsequent semester or summer session until reinstatement has been granted by the College of Business Administration's Graduate Program Council (CBA GPC) and graduate dean.

Students who have been dismissed from the MBA program may submit a written petition for reinstatement to the CBA GPC. Students who have petitioned the CBA GPC for reinstatement may not enroll in any courses for MBA credit. Upon receiving a petition for reinstatement, the CBA GPC will evaluate the student's written petition for reinstatement. As part of the reinstatement petitioning process, the CBA GPC reserves the right to examine the student's academic record and reserves the right to speak to any previous instructor who has taught the student and this information

may be used by the CBA GPC in the reinstatement decision. Information provided by previous instructors will not be shared with the student. Reinstatement is a privilege and not all students who are dismissed will be reinstated. Students who have been reinstated will serve a probationary period of the CBA GPC's discretion and must satisfy the probationary conditions specified by the CBA GPC. In addition to probationary conditions, reinstated students will be subject to additional reinstatement conditions as specified by the CBA GPC. These reinstatement conditions will include retaking one or more courses in which the student must earn a grade of "B" (3.0) or higher (the exact grade requirements for retaken courses may in fact be higher than "B" 3.0). Students not achieving the probationary or reinstatement conditions will be automatically dismissed.

GPC Will Consider Grades Earned in Related Courses

When making decisions based on Quality of Work Standards issues, the CBA GPC will consider the initial grade(s) received in a course as well as the most recent grade received for the course. This approach differs from the method used to calculate GPA in a student's MavLINK file, where the most recent grade replaces the grade received in the previous attempt.

Student Responsibilities

- Each student admitted to graduate studies is responsible for knowing the procedures and regulations of the Graduate College.
- Each student admitted to the dual degree option will, within the first semester of their enrollment, file a plan of study in close consultation with a graduate advisor.
- Once admitted to the MBA/MPH dual degree program, the MBA Director in the College of Business Administration will oversee the student's progress in the MBA curriculum, and faculty in the College of Public Health will oversee the student's progress in the MPH curriculum.
- Each student has to complete both the MBA and MPH orientations.
- Students must maintain academic eligibility as defined by each degree program.
