MBA/MSN students who have earned undergraduate or graduate degrees in accounting, economics, finance, management, management information systems, or marketing, the MBA core course(s) corresponding to the student's undergraduate major(s) or degree(s) will be waived and the student will complete a directed elective in the waived field in addition to the hours transferred from UNMC. The waived core course will not satisfy degree requirements. Please consult with your advisor for a complete list of approved directed electives.

MBA/MSN students are not eligible to choose an MBA concentration because UNMC CON courses will comprise all electives.

**Other MBA Requirements**

Attendance at a minimum of two (2) MBA Leadership Seminars.

**Academic Performance**

**MBA Program Two Strikes Rule**

A UNO MBA student may enroll only twice in each MBA course. If the class is not successfully completed on the second attempt then the student will be dismissed from the MBA program. An enrollment is defined as being enrolled in the course after the last day to withdraw via MavLINK and receive a 100% refund. The last day for withdrawal will be as stated in the current academic calendar for a full semester course (3 credits); for an eight-week course (2 credits) the last day for withdrawal will be the third day (including the start date) of the course as designated in MavLINK.

**MBA Program Academic Performance**

Students earning a third grade of “C+” or lower (or any single grade below “C” 1.67 on a 4.0 scale) will be automatically dismissed from the MBA program. Dismissed students will be immediately administratively withdrawn from all courses in which they are enrolled for MBA credit. Students who have been dismissed may not enroll in any courses for MBA credit in any subsequent semester or summer session until reinstatement has been granted by the College of Business Administration’s Graduate Program Council (CBA GPC) and graduate dean.

Students who have been dismissed from the MBA program may submit a written petition for reinstatement to the CBA GPC. Students who have petitioned the CBA GPC for reinstatement may not enroll in any courses for MBA credit. Upon receiving a petition for reinstatement, the CBA GPC will evaluate the student’s written petition for reinstatement. As part of the reinstatement petitioning process, the CBA GPC reserves the right to examine the student’s academic record and reserves the right to speak to any previous instructor who has taught the student and this information may be used by the CBA GPC in the reinstatement decision. Information provided by previous instructors will not be shared with the student.

Reinstatement is a privilege and not all students who are dismissed will be reinstated. Students who have been reinstated will serve a probationary period of the CBA GPC’s discretion and must satisfy the probationary conditions specified by the CBA GPC. In addition to probationary conditions, reinstated students will be subject to additional reinstatement conditions as specified by the CBA GPC. These reinstatement conditions will include retaking one or more courses in which the student must earn a grade of “B” (3.0) or higher (the exact grade requirements for retaken courses may be higher than “B” 3.0). Students not achieving the probationary or reinstatement conditions will be automatically dismissed.

**CBA GPC Will Consider Grades Earned in Repeat Courses**

When making decisions based on Quality of Work Standards issues, the CBA GPC will consider the initial grade(s) received in a course as well as the most recent grade received for the course. This approach differs from the method used to calculate GPA in a student’s MavLINK file, where the most recent grade replaces the grade received in the previous attempt.

**Student Responsibilities**

- Each student admitted to graduate studies is responsible for knowing the procedures and regulations of the Graduate College.
• Each student admitted to the MBA/MSN will, within the first semester of their enrollment in the MBA program, file a plan of study in close consultation with a graduate advisor.
• Once admitted to the MBA/MSN dual degree program, the MBA Director in the College of Business Administration will oversee the student’s progress in the MBA curriculum, and faculty in the College of Nursing will oversee the student’s progress in the MSN curriculum.
• Each student has to complete the MBA orientation.
• Students must maintain academic eligibility as defined by each degree program.
