COUNSELING, MS
Department of Counseling, College of Education

Vision Statement
The purpose of the Department of Counseling is to prepare a diverse student population at the master’s degree level for professional service as school counselors, clinical mental health counselors, student affairs professionals, and/or for advanced study. Graduates of the program are prepared to function professionally within their area(s) of concentration.

As dedicated practitioners, reflective scholars, and responsible citizens, our graduates are prepared to fill the need for highly trained professionals. Graduates are trained to support the broad range of counseling needs of the metropolitan community including: individual, couples, family and group counseling.

Other Program Related Information
• Earning a graduate degree in clinical mental health counseling or school counseling satisfies only the academic requirements for licensure and/or certification in the state of Nebraska. Students should consult the appropriate state agency/department for guidance on gaining state licensure and/or certification.

• Students should be aware that licensure and/or certification requirements often vary by state. Students interested in gaining professional licensure and/or certification outside of Nebraska should consult their intended state’s licensing/certification office/department for appropriate guidelines and timelines.

• An alternative counseling endorsement is available for students in the school counseling concentration who do not hold degrees in education. This endorsement eliminates the two-year teaching requirement and includes an additional 12 credit hours. Students choosing the alternative endorsement route will complete a 60 credit school counseling curriculum instead of the 48 credit school counseling curriculum.

• Successful completion of all courses and a comprehensive exam in the student’s respective concentration are requirements for graduation.

• Graduates are recommended only for positions consistent with the concentration they completed.

• Professional background checks are required for all students following admission to the program and again prior to beginning their practicum experience.

• Candidates are admitted and permitted to continue programs in counseling on the basis of their potential for successful training and professional practice. Candidates are evaluated on an ongoing basis while enrolled with respect to their suitability for continuation in the program prior to taking the Counseling Practicum or Internship courses. Specific course and grade requirements to take Practicum courses are available in the Counseling Department office.

• The P-12 School Counseling and Clinical Mental Health Counseling concentrations are accredited by the Council for the Accreditation of Counseling and Related Educational Programs (CACREP; 2009), the national accrediting agency for Counselor Education programs.

Admissions
Application Deadlines (Spring 2021, Summer 2021, and Fall 2021)
• Fall: March 1
• Spring: October 1
• Summer: March 1
  • Student Affairs in Higher Education (SAHE) admits fall semester only
  • Clinical Mental Health Counseling and School Counseling concentrations admits during fall, spring, and summer semesters.

Program-Specific Requirements
• Bachelor’s degree
• 9 credit hours of courses in behavioral sciences or closely related field for both areas of concentration in Clinical Mental Health Counseling and Student Affairs Practice in Higher Education applicants.

• Abnormal Psychology is a requirement for licensure as a mental health practitioner in Nebraska, but is not a required course within any Department of Counseling curriculum. However, Abnormal Psychology must be taken prior to COUN 8920. Abnormal Psychology may be taken at the undergraduate or graduate level but graduate level is recommended.

• Graduate Record Exam (GRE) or Miller Analogy Test (MAT)
  • May be waived if an advanced degree has been completed

• Three (3) Letters of Recommendation
  • Letters should be from persons who can speak to the applicants professional competence and/or academic ability.

• Statement of Purpose: 2-3 pages in length addressing the following information:
  • Reason(s) for pursuing the counseling profession,
  • Relevant experience,
  • Personal career goals,
  • Reason(s) for choosing UNO’s Counseling program.

• Resume or curriculum vitae

• A minimum of 9 hours of behavioral sciences or human services related course is required. Students without these courses may be provisionally admitted with the expectation that these 9 hours will be completed within the first year of their program of study. Questions regarding the appropriateness of courses for this requirement should be submitted to Dr. Kissinger via email (dkissinger@unomaha.edu). A response will be provided following a faculty review of the selected course(s).

• Group admissions interview (required for admission).

• Applicants are required to have a command of oral and written English. Those who do not hold a baccalaureate or other advanced degree from the United States, OR a baccalaureate or other advanced degree from a predetermined country on the waiver list, (https://www.unomaha.edu/graduate-studies/prospective-students/Proof%20of%20English%20Proficiency-%20International.pdf) must meet the minimum language proficiency score requirement in order to be considered for admission.
