GLOBAL INFORMATION OPERATIONS CERTIFICATE

Departments of Political Science, Computer Science, and Religion, College of Arts and Sciences and Information Science & Technology

Vision Statement
The certificate in global information operations is a program designed to meet the need for a broad-based, interdisciplinary understanding of international cultures and related issues in today’s global society by graduate students, active duty military and civilian professionals working in the fields of public service, national security, defense policy and intelligence analysis. The program seeks to satisfy varying academic, career, and professional post graduate goals of traditional and non-traditional students that prepare them for their responsibility as active citizens through leadership, participation and employment in diverse environments throughout the nation and the world. At this point in time, this certificate is not offered for online students.

Admissions
General Application Requirements and Admission Criteria (http://catalog.unomaha.edu/graduate/admission/)

Program-Specific Requirements
Application Deadlines (Spring 2023, Summer 2023, and Fall 2023)
- Fall: June 15
- Spring: October 15
- Summer: March 15

Other Requirements
For students applying to, or who are a current MS-PSCI student in good standing:
- Minimum of 3.0 GPA

For students applying for this certificate as a stand-alone program:
- Baccalaureate degree or previous master’s degree with a minimum of 3.0 GPA.
- Nine credit hours in relevant fields is preferred. Students without the necessary background may be admitted on a provisional basis and be required to take prerequisite courses before starting graduate work. Students must earn a grade of B or above in each of these courses.

- **English Language Proficiency:** Applicants are required to have a command of oral and written English. Those who do not hold a baccalaureate or other advanced degree from the United States, OR a baccalaureate or other advanced degree from a pre-determined country on the waiver list (https://www.unomaha.edu/graduate-studies/prospective-students/Proof%20of%20English%20Proficiency-%20International.pdf), must meet the minimum language proficiency score requirement in order to be considered for admission.
  - Passing with a minimum score does not guarantee admission into the program.

- **Statement of Purpose:** The personal statement (1-2 pages) should explain why the applicant is seeking admission into this program, how his/her academic/professional experiences can contribute to his/her success in this program, and how this program will contribute to his/her future academic/professional ambitions.

- **Professional Resume**

- **Letters of Recommendation:** Two letters of recommendation from a former professor (preferred), supervisor, or individual that can speak to one’s academic potential in a graduate program. If applicants have recently graduated from UNO, it is expected that one of the letters will be from a UNO political science faculty member. It is preferred that applicants use their references’ institutional (.edu) or professional email.

- **GRE scores are not required for admission, however, students are welcome to include them.**

- **Official transcripts from all previously attended institutions.** Please note that although the Office of Graduate Studies forwards applications to departments for review with unofficial transcripts, students cannot enroll until all official transcripts have been received. Due to this, the Department of Political Science has elected to await for official transcripts before reviewing applications.

Exit Requirements
Students must earn a 3.0 GPA to graduate with this certificate.
**Academic Progress Policy**

Students may be dismissed from the program after:

1. Not enrolling and/or successfully completing a course after two consecutive years.
2. Earning three or more W grades.
3. Earning two or more grades of C+ or below.

Under extenuating circumstances, students may apply for a waiver through the GPC. If a waiver is granted, students may be updated to the most recent catalog year.

Students who do not successfully complete a course during their admit term, or allowed deferment time, will be dismissed from the program.

Students may reapply to the program if dismissed for inactivity.
