

# PUBLIC ADMINISTRATION, MPA AND HEALTH AND KINESIOLOGY, MS

This dual degree program will allow students to earn both a Master of Public Administration (MPA) and a Master of Science in Health and Kinesiology (MSH&K) through a 57-credit hour curriculum that integrates advanced training in public and nonprofit leadership with expertise in health and kinesiology. This interdisciplinary program is designed to prepare graduates for leadership roles in healthcare organizations, government agencies, and nonprofit institutions by equipping them with the skills to effectively manage programs, guide policy, and promote health and wellness in diverse communities. By combining the nationally accredited MPA program with the MS in Health and Kinesiology, the dual degree provides a unique educational pathway that positions graduates to meet the growing demand for professionals who can bridge the fields of health and public service.
