Campus Recreation

Campus Recreation (Campus Rec) supports students on their journey to living a healthy and balanced lifestyle while at UNO. If you are enrolled in at least one credit hour on-campus, a Campus Rec membership is included as part of your University Program and Facilities (UPF) Fees. There is no need to purchase a membership separately while taking an on-campus class. A valid membership is determined on a semester basis. If you are enrolled in an online, remote, research, or thesis class, a Campus Rec membership would need to be purchased. A purchase is necessary since these classes do not pay the University Program and Facilities (UPF) Fees. Campus Rec is located in the H&B Building. Learn more on the Campus Recreation website (https://www.unomaha.edu/student-life/wellness/campus-recreation).

Academic & Career Development Center (ACDC)

The Academic and Career Development Center (ACDC) empowers students to explore, develop, and succeed at UNO and beyond. ACDC builds bridges between students and on-campus support, community members, and local employers. Learn more on the Academic and Career Development Center website (https://www.unomaha.edu/student-life/achievement/academic-and-career-development-center).

The Office of Multicultural Affairs (MCA) is responsible for developing and maintaining programs and services to ensure the successful recruitment, retention, and graduation of underrepresented students on UNO’s campus. Through scholarship aid, academic services, and personal support, students are empowered to attain their educational and professional goals. Cultural programming includes celebrating cultural months (including Black History Month, Latino Heritage Month, Native Heritage Month, and Diversity Month) as well as three annual Native American events. MCA is inclusive of all UNO students. Learn more on the Multicultural Affairs website (https://www.unomaha.edu/student-life/inclusion/multicultural-affairs).
